

You can support CEF of Evansville -at no cost to you- by becoming a prayer participant through **Fueled by Prayer**.

Fueled by Prayer is an international prayer ministry whose purpose is to encourage Christians to join in group prayer together by telephone.

Jimmie Borders, a successful businessman from KY, began FBP to grow ministries worldwide through the power of prayer. Mr. Borders' goal is to have Christians calling in daily and praying together. His vision is to tithe into participating ministries from the profits of his personal businesses. For each call made by a registered partner, money is donated to their chosen ministry.

This is accomplished on a conference calling phone line, with participants taking turns praying as the Lord leads. You would be prompted to pray for 1-5 minutes for Child Evangelism Fellowship, Evansville Area Chapter.

Prayer

Prayer is our foundation. It is not the work we do, the meetings we hold or the decisions we make that bring the greatest advances in the work; it is the time spent before the throne of God in prayer that brings power, laborers, and resources into the ministry.
